

IN THE UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF VIRGINIA  
NORFOLK DIVISION

UNITED STATES OF AMERICA

v.

Case No. 2:16cr6

ANTHONY L. BURFOOT

**DEFENDANT ANTHONY BURFOOT'S FIRST STATUS REPORT REGARDING DISCOVERY REVIEW**

COMES NOW the defendant, Anthony L. Burfoot, by counsel, and pursuant to the Court's request of January 28, 2016 in open Court, respectfully files the following discovery review status report:

1. The discovery materials from the Government in this case can be divided into 2 broad categories: (1) Electronic discovery materials (contained in 54 separate compact disks); and (2) Paper discovery (contained in approximately 20 boxes at the FBI building).
2. The Government has now produced to the defendant 2 sets of the 54 electronic discovery disks. The defendant requested 2 sets so that defense counsel and the defendant would each have their own set to facilitate review.
3. The Government has agreed to make copies of the paper discovery documents at the FBI and further advises that those documents will be produced to defense counsel on a rolling basis to be completed approximately by the end of next week.
4. Because of the high degree of timely cooperation and facilitation by the Government with defendant's discovery review, the defendant and his counsel are optimistic that the discovery can be examined well in advance of the May 3 trial date, and counsel expresses his appreciation to the Government for their diligence in assisting counsel as described.

5. Finally, counsel and the defendant have begun to review the electronic discovery on the disks and counsel will give the Court a further written status report as to his progress in that regard in one calendar week.

Respectfully submitted,

ANTHONY L. BURFOOT
